

3C AWARDS

3C AWARDS IS THE WORLD'S LEADING ORGANIZATION FOR THE CURATION AND PROMOTION OF DESIGN

Its primary mission is to promote design by rewarding great designs, exhibiting, developing designers and artist communities, providing networking opportunities, and promoting the appreciation of design excellence through education, outreach, and grants.

The 3C Awards represent today's diversity and innovation in lighting design, furniture design, sports design, interior design, and architecture. Each brand is a symbol of design excellence around the world, showcasing the work of professional and emerging designers to more than 100 expert jury members. The 3C Awards, for which entries are submitted from 65 countries each year, offer designers and students from around the world a unique opportunity to reach new markets and increase exposure and media coverage.
