

## LIV HOSPITALITY DESIGN AWARDS CELEBRATES THIRD EDITION WINNERS

Discover the Winners of the LIV Hospitality Design Awards 3rd Edition:  
Honoring Exceptional Architectural Ventures and Interior Design Projects  
Shaping the Future of the Global Hospitality Industry

**Zurich, Switzerland** - The [LIV Hospitality Design Awards](#) has announced the winners of its highly anticipated third edition recognizing exceptional architectural ventures and interior design projects that are shaping the worldwide hospitality industry today.

The program, which is an inclusive platform for exceptional projects within living and eating spaces, received over 450 professional and student applications from 53 countries. The submissions were evaluated by a panel of 41 experienced architects, designers, and developers in hospitality, who went through a multi-round voting process to select the winners in each category.

The LIV Awards celebrates the quality and diversity of projects from co-living spaces, boutique hotels, and beach resorts, to fine dining restaurants, lounges, and pop-up bars. Each project was evaluated on its own merit, rewarding the most striking designs and properties that stood out with new concepts, uniqueness, and design stories.

*"Celebrating the best in hospitality design is more than just acknowledging outstanding work - it's about inspiring and empowering designers to push the boundaries of creativity, sustainability, and innovation. At LIV Hospitality Design Awards, we strive to foster a global community of forward-thinking designers who are committed to shaping the future of hospitality design. With a record number of applications in the third edition, we are proud to be at the forefront of this exciting and dynamic industry, recognizing the designs that elevate the guest experience,"* said **Astrid Hébert**, Founder.

The range of work was astounding with honorees in Architecture including **Olson Kundig** for the design for [Comedor](#), a modern Mexican restaurant in downtown Austin, **Pure Design Studio** for [Avana Retreat](#) set on a mountainside in northern Vietnam, emerging young talent from Savannah College of Art and Design, **Tony Wu** for [Green Booster](#) and **Mansoor Al Harbi** from American University of Dubai for [Areesh Retreat](#).

In terms of interior design, the program awarded Ukrainian design studio **Yod Group** for [Terra Restaurant](#) capturing the essence of Western Ukraine's natural beauty and cultural richness, **Not a Number Architects** for [MonAsty Autograph Collection](#) drawing inspiration from the byzantine heritage of Thessaloniki, emerging interior designer **Hyojung Cha** from Pratt Institute for [Mad For Garlic](#) and **Sarah Choudhary** from New York School of Interior Design for [Hotel Cirque](#) in Montreal.

### About the LIV Hospitality Design Awards:

**LIV Hospitality Design Awards** ([livawards.com](#)) recognize excellence in hospitality architecture, interior design, and guest experiences on a global scale. The mission of the LIV Hospitality Design Awards is to celebrate the quality and diversity of the architectural ventures and interior design projects shaping the worldwide hospitality industry today. The program was launched in 2020 and is an inclusive platform, pursuing and rewarding exceptional projects within LIVING and EATING spaces

**LIV Awards** is a sibling program of the LIT Lighting Design Award (LIT), SIT Furniture Design Award (SIT), and BLT Built Design Awards (BLT), all focusing on Architecture, Interior Design and Lighting, which have emerged as some of the most well-known Design Awards today.

**LIV Hospitality Design Awards** is a program under the **3C Awards**, a leading organization curating and promoting design across the globe. The company represents today's diversity and innovation in Lighting Design, Furniture Design, Sport Design, Interior Design, and Architecture. Each brand is a symbol of design excellence around the world, showcasing Professional and Emerging designers' work to over 100 expert jury members. 3C Awards is owned by Three C Group GmbH, a Swiss-registered company.
